# BODY OIL MIST

225ml | Code 1177 | RRP \$42

RESTORATIVE | LUXURIOUS | AGE-DEFYING AGING

Defend your skin against the damaging effects of the sun with Fountain Body Oil Mist. Suitable for all skin types, this unique spray will keep your skin soft, nourished and radiant.

The key ingredient is phyto-squalane, a vegetable-based lipid that restores the structure of the skin by boosting collagen and elastin production. This is combined with anti-aging agents to counteract the ravaging effects of the sun and wind, and keep you looking your best.

Suitable for all ages and skin types.

**DIRECTIONS:** Spray on the skin immediately after showering/ bathing for instant hydration and nourishment. Great for after sun repair.

## KEY INGREDIENTS

### PHYTO-SQUALANE

a vegetable-based lipid that restores the structure of the skin by boosting collagen and elastin production. This is combined with anti-aging agents to counteract the ravaging effects of the sun and wind, and keep you looking your best.
