

SENSITIVE, DRY, MATURE SKIN | FACE MASK

COLLAGEN GEL MASK

100ml | Code 1124 | RRP \$38

REPAIR | REJUVENATE | RADIATE

Fountain Collagen Gel Mask is specially formulated for sensitive, dry or mature skin. Packed with nourishing botanicals and soothing collagen, this gel mask plumps the skin to reduce wrinkles and actively protects the skin from UV damage.

Fountain Collagen Gel Mask is specially formulated to hydrate and revitalise sensitive, dry and mature skin, resulting in skin that looks and feels more soft and supple.

For a refreshing, cool dose of hydration on hot summer nights, pop the gel mask in the fridge before applying. Suitable for all ages and skin types.

DIRECTIONS: Apply generously to your face, throat and décolletage. Allow mask to set for five to ten minutes, then gently remove with a soft wet face cloth. Follow with your favourite Fountain moisturiser. Use once or twice a week for best results.
