## BENEFITS

- Activates the production of collagen to restore your skin's elasticity
- Reduces the appearance of fine lines
- Relieves inflammation
- Provides the ultimate in moisture protection

**DIRECTIONS:** Apply gently to a cleansed face, neck and décolletage every evening. For best results use in combination with Fountain Neuro Sense: Day Cream and your favourite Fountain Neuro serum.

## KEY INGREDIENTS

### OAT BETA GLUCAN

Soluble oat fibres that penetrate the dermis and epidermis to stimulate collagen synthesis, promote cell renewal, improve skin visco-elasticity and hydrate and rejuvenate the skin.

### SNAP-8 (ACETYL OCTAPEPTIDE-3)

A deep penetrating and powerful Amino Peptide that reduces the depth of wrinkles and facial lines caused by the contraction of facial muscles, and gives a more relaxed 'plump' appearance.

### DELISENS

A peptide that reduces the discomfort of itchiness in sensitive skin. It also increases hydration and restores damaged barrier integrity.

### MATRIXYL 3000

Supports the activation of the skin's repair process, promotes wrinkle smoothing and improves tone and elasticity.

### PHYTOSQUALANE

A natural emollient that prevents trans-epidermal water loss and restores skin suppleness.

### ABS POMEGRANTE STEROLS

Capable of increasing moisture levels on the skin while enhancing the skin's barrier function to protect against environmental aggressors. It is a natural replacement for synthetic materials such as petrolatum and lanolin.
