ENVY ANTI-AGING EYE SERUM

15ml | Code 1164 | RRP \$42

FIRMS | NOURISHES | PREVENTS AGING

BENEFITS

- In 28 days, skin appears smoother with fewer fine lines*
- Increases hydration
- Plumps and firms skin
- Reverses the signs of aging

A nourishing anti-aging eye serum designed to deliver optimum moisture to the eye area and reverse the signs of skin aging in 28 days. Fountain Envy: Anti-Aging Eye Serum combines moisturising agents with peptides to provide firmness and fill wrinkles from the inside for visibly smoother and plumper skin. This serum also contains vitamin B to reduce the appearance of age spots and even skin tone. Suitable for all ages and skin types.

DIRECTIONS: Pat gently with ring finger around the eye area before applying your favourite Fountain moisturiser. Use morning and night.

KEY INGREDIENTS

AQUAXYL

is an innovative moisturising and restructuring technology that optimises the skin's water reserves and limits water loss, resulting in smoother, hydrated skin.

LIPOMOIST

a molecular film that delivers actives deep into the epidermis to form a highly moisturising protective film on the skin and enhances elastin formation.

MATRIXYL SYNTHÉ 6

A hard-working wrinkle filler. Evens skin relief and smooths wrinkles and crow's feet from the inside.

NIACINAMIDE (VITAMIN B3)

Helps rebalance pigmentation, refine pores and improve skin elasticity.

MARIMOIST:

A marine-based biopolymer complex that imparts a light, silky film that instantly hydrates, cools and soothes the skin.
