BENEFITS

- Revitalises dry, damaged and color-treated hair
- Increases hydration and improves elasticity
- Restores shine to dull, lifeless hair
- Softens hair making it pliable and easier to manage

An intense, deep conditioning hair mask designed to revitalise dry, damaged or color-treated hair. Containing extracts of oat beta-glucan, macadamia, argan and shea butter, this deep conditioning hair mask makes your hair softer and easier to manage. Fountain Exquisite Moisture Mask contains keratin to bring tired hair back to life with renewed lustre and shine. A complete salon experience at home. Suitable for dry, damaged or color-treated hair.

DIRECTIONS: Apply a generous amount of Exquisite Moisture deep conditioning hair mask to damp hair. Work through to the ends with your hands. Leave on for three to five minutes. Rinse thoroughly. Style as normal.

KEY INGREDIENTS

ARGAN OIL

Extremely rich in vitamin E and antioxidants, argan oil is light and non-greasy and absorbs easily. It protects the hair from harmful environmental aggressors while caring for the scalp and restoring shine to dull, lifeless hair.

KERAMIMIC 2.0

Combines the best of science and nature for intelligent repair of damaged hair. Developed using advances in proteomics, Keramimic 2.0 contains the amino acid sequences of peptides that match keratin proteins found in cuticular and cortical regions of human hair. The highly functioning conditioning active provides targeted repair.

DAYMOIST CLR

A complex of natural plant-derived active ingredients. Daymoist CLR has a moisturising effect on hair which improves elasticity, making it softer and more pliable and able to protect against heat stress and color fading.

KERAVIS

Designed to deliver optimal anti-breakage benefits, Keravis is a multifaceted protein-based complex which strengthens hair. The unique chemical composition enables it to penetrate the hair cuticle, building strength from within, while providing film-forming effects to reinforce, lubricate and protect the surface of the hair.
