BENEFITS

- Preps your skin for foundation
- Leaves your complexion looking velvety and smooth
- Foundation glides over your skin easily
- Calms and soothes the skin

Fountain Facade: Smoothing Primer is a nourishing, rich primer that calms and soothes the skin for a smooth and radiant complexion.

Facade Primer provides a decadent and velvety finish and preps the skin for foundation so it glides over the skin and stays looking fresher for longer.

Suitable for all ages and skin types.

DIRECTIONS: After cleansing and moisturising, apply a small amount of primer to the skin with your fingertips. Follow with Fountain Know BB cream or foundation.

KEY INGREDIENTS

RONACARE® AP

Is an advanced protection system. It prevents premature skin aging efficiently and continuously both day and night by dimming oxidative stress and building up UV protection during the day and providing prolonged protection from free radicals at night.

MATRIXYL 3000

Supports the activation of the skin's repair process, promotes wrinkle smoothing and improves tone and elasticity.

NATURAL VITAMIN E

A powerful antioxidant that helps fight free radicals and reverse the signs of aging. Its restorative and anti-inflammatory properties help keep skin in good condition and looking younger for longer.
