BENEFITS

- Removes all traces of makeup and sunscreen
- Hydrates skin
- Reduces the signs of aging
- Leaves skin looking brighter

A foam cleanser with a creamy mousse consistency. Removes impurities and leaves your skin looking brighter and healthier. This foam cleanser is designed to hydrate your skin while gently removing all traces of makeup and sunscreen. Contains plant botanicals to help reduce the signs of aging.

DIRECTIONS: Lather the foam cleanser in your hands and massage gently over wet skin, avoiding the eye area. Rinse thoroughly. For best results, follow with your favourite Fountain toner and moisturiser. Use daily.

KEY INGREDIENTS

MPC LIPOSOMES

Boosts collagen production, making the skin firmer and enhancing the overall structure of the skin. Reduces the visible signs of skin aging caused by natural and environmental stressors.

HYDROVANCE

delivers premium hydration that is non-tacky and non-greasy. This unique ingredient provides long-term moisturising benefits with extended, consistent use.
