50ml | Code 1154 | RRP \$46
100ml | Code 1155 | RRP \$62

ENHANCE | RESTORE | RENEW

CONTAINING APPLE STEM CELLS, ALPINE ROSE STEM CELLS, PEPTIDES AND ARGAN OIL.

BENEFITS

- Safeguards against dryness and sun damage
- Smooths and evens skin tone
- Provides instant deep hydration
- Minimises the look of fine lines
- Ideal moisturiser for sensitive skin

This medium-weight formula is the ideal moisturiser for sensitive skin. Ideal Moisture contains apple and alpine rose stem cells to enhance skin brightness and vitality, while powerful peptides smooth and even skin tone, and Argan oil (a potent form of vitamin E) protects, softens and hydrates. This moisturiser for sensitive skin stimulates aged skin cells and acts as a safeguard against dryness and sun damage. Contains no artificial fragrance or color.

DIRECTIONS: Apply this moisturiser for sensitive skin to the face, neck and décolletage after cleansing and toning with your favourite Fountain products. Use morning and night.

KEY INGREDIENTS

ARGAN OIL

Extremely rich in vitamin E and antioxidants, Argan oil has been shown to minimise fine lines, restore elasticity, improve skin tone, soothe irritation, neutralise free radicals that cause signs of aging, and protect the skin from harmful environmental agents. Light and non-greasy, Argan oil absorbs easily.

MATRIXYL SYNTHÉ'6

Is a hard-working wrinkle filler. It evens out skin relief and smooths wrinkles from the inside by rebuilding the skin where it is needed, particularly on the forehead and crow's feet. skin and reducing wrinkles, thereby could be a substitute to Botox™.

PENTAVITIN

Ensures instant, deep hydration and generates a moisture reservoir that lasts for 72 hours. Pentavitin is a 100% natural, plant-derived ingredient.

ADVANCED MOISTURE COMPLEX

A moisturising complex with intense short and long-term hydrating activity (up to 24 hours)

APPLE STEM CELLS

This natural ingredient is compatible with human cells and is highly effective in stimulating and promoting the longevity and activity of stem cells in the skin to help delay the signs of aging.
