

LEAVE IN CONDITIONER

150ml | Code 2223 | RRP \$32

CHYDRATING | RESTORATIVE | NATURAL

BENEFITS

- Combats frizz
- Hydrates dry hair
- Improves elasticity for softer, more pliable hair
- Leaves hair feeling soft, healthy and conditioned

This light, all-natural, leave in conditioner combats frizz and hydrates dry hair.

The conditioning serum combines extracts of argan, jojoba and macadamia oils and olive squalene to keep hair feeling soft, healthy and conditioned all day long.

The leave in conditioner is suitable for all hair types, and recommended for dry and damaged hair..

DIRECTIONS: Apply a generous amount of the Leave In Conditioner to damp hair. Work through to the ends with your hands. Comb through. Style as normal. For best results, use in conjunction with a Fountain shampoo.

KEY INGREDIENTS

ARGAN OIL

Extremely rich in vitamin E and antioxidants, argan oil is light and non-greasy and absorbs easily. It protects the hair from harmful environmental aggressors while caring for the scalp and restoring shine to dull, lifeless hair.

DAYMOIST CLR

A complex of natural plant-derived active ingredients. Daymoist CLR has a moisturising effect on hair which improves elasticity, making it softer and more pliable and able to protect against heat stress and color fading.

KERADYN HH

Breathes new life and movement into hair damaged by chemical treatments, heat styling and UV light. Keradyn HH enhances fibre alignment and reduces friction between hair strands for the freedom of movement that only healthy hair enjoys.

PHYTOSQUALANE

A natural emollient that prevents trans-epidermal water loss.

INGREDIENTS: Aqua, Cyclopentasiloxane, Cetearyl Alcohol, Stearamidopropyl Dimethylamine, Glycerin, Amodimethicone, PEG-20 Stearate, Argania Spinosa Kernel Oil, Macadamia Ternifolia Seed Oil, Hydrolysed Jojoba Esters, Jojoba Esters, Tocopherol, Tocopheryl Acetate, PEG-40/PPG-8 Methylaminopro- pylhydropropyl Dimethicone, Squalane, Bis-Ethyl (Isostearyl-im- idazoline) Isostearamide, Methyl Glucose Sesquistearate, PEG-100 Stearate, Silicone Quaternium-16, Beta Vulgaris (Beet) Root Extract, Hydrolysed Corn Starch, Undeceth-5, Cetrimonium Chloride, Lauryl Pyrrolidone, Butyloctanol, Glyceryl Stearate, Trideceth-12, Ceteth-2, Undeceth-11, Dipropylene
