

SENSE DAY CREAM

60g | Code 0090 | RRP \$120

HYDRATING | RESTORATIVE | ANTI-AGING

BENEFITS

- Activates the production of collagen to restore firmness
- Hydrates and enhances the health of your skin
- Minimises fine lines and wrinkles
- Repairs damaged cells

Fountain Neuro Sense is a daily moisturiser designed to be used in the mornings to hydrate and enhance the health of your skin. Containing a unique complex of neuro-transmitter peptides, this daily moisturiser activates the production of collagen to restore firmness. The fortifying, lightweight daily moisturiser rapidly absorbs into the skin to soothe and fight environmental free radical damage, resulting in skin that appears smoother and younger.

Embracing the hydrating benefits of neuropeptides and a special blend of oils, Neuro Sense daily moisturiser nourishes the skin while repairing damaged cells and minimising wrinkles and fine lines. Suitable for all skin types. Recommended for dry and sensitive skin.

DIRECTIONS: Apply gently to a cleansed face, neck and décolletage every morning. For best results use in combination with Fountain Neuro Dream: Night Cream and your favourite Fountain Neuro serum.

KEY INGREDIENTS

OAT BETA GLUCAN

Soluble oat fibres that penetrate the dermis and epidermis to stimulate collagen synthesis, promote cell renewal, improve skin visco-elasticity and hydrate and rejuvenate the skin.

SNAP-8 (ACETYL OCTAPEPTIDE-3)

A deep penetrating and powerful Amino Peptide that reduces the depth of wrinkles and facial lines caused by the contraction of facial muscles, and gives a more relaxed 'plump' appearance.

DELISENS

A peptide that reduces the discomfort of itchiness in sensitive skin. It also increases hydration and restores damaged barrier integrity.

MATRIXYL 3000

Supports the activation of the skin's repair process, promotes wrinkle smoothing and improves tone and elasticity.

MARIMOIST

A rare and precious marine-based biopolymer complex providing the ultimate in water release and textural sensation. MariMoist imparts a light, silky film that instantly hydrates, cools and soothes the skin, leaving it feeling moist and refreshed.

BIOPHYTOSEBUM

Is a non-greasy active emollient from olives. It restores the suppleness of the epidermis and has good penetrating, moisturising and nourishing properties.

INGREDIENTS: Aqua, Decyl Olive Oil Esters, Butylene Glycol, Glycerin, Argania Spinosa Kernel Oil, Glyceryl Stearate Citrate, Macadamia Ternifolia Seed Oil, Methyl Gluceth-20, Saccharide Isomerate, Sodium PCA, C12-16 Alcohols, Tocopheryl Acetate (Natural), Butyrospermum Parkii (Shea) Butter, Cyclopentasiloxane, Ascorbyl Tetraisopalmitate, Sodium Hyaluronate, Squalene, Sucrose Cocoate, Vitex Agnus Castus Berry Extract, Chondrus Crispus Extract, Tocopherol, Beta-Glucan, Lecithin, Hydrogenated Lecithin, Lysolecithin, Polysorbate 20, Dimethicone, Pullulan, Acetyl Octapeptide-3, Xanthan Gum, Sorbitan Stearate, Palmitic Acid, Caprylic/Capric Triglyceride, Palmitoyl Oligopeptide, Palmitoyl Tetrapeptide-1, Maltodextrin, Cyclodextrin, Pentapeptide-18, Acetyl Hexapeptide-46, Sclerotium Gum, Polysorbate 20, Sodium Acrylate/Sodium Acryloyldimethyl Taurate Copolymer, Caprylyl Glycol, Polysilicone-11, Polysorbate 80, Citric Acid, Ethylhexylglycerin, Disodium EDTA, Ethanol, Triethanolamine, Carbomer, Isohexadecane, 1,2-Hexanediol, Phenoxyethanol, Parfum.
