

SO SOFT (CREAM-TO-POWDER)

100ml | Code 1225 | RRP \$24

PROTECT | SOOTHE | REPAIR

BENEFITS

- Cream to powder formula that provides a silicon-soft finish
- Moisturising and lubricating
- Provides long-lasting hydration
- Contains anti-inflammatory properties

Made from natural ingredients, So Soft is a cream that becomes powdery and soft when applied to the skin. It will keep your baby's skin dry, while also providing nourishment. So Soft will provide soothing comfort to your baby's skin, helping to draw moisture away to prevent irritation. It also has a subtle, clean scent that will keep your little one smelling fresh.

DIRECTIONS: Apply to the skin after baths and nappy changes. Wash your hands after use to remove any residue

KEY INGREDIENTS

WITCH HAZEL EXTRACT

A medicinal plant with powerful antioxidant and astringent properties that tighten the skin, stop cellular damage and fight bacteria that live in skin pores. Witch hazel is an effective treatment for acne, speeding up healing and helping to prevent signs of skin aging.

PANTHENOL

A water-soluble substance that is absorbed easily by the human body. Made from d-pantolactone, found in honey, panthenol attracts moisture from the air and binds to hair follicles, making hair feel lubricated and appear shiny.

SENSOLENE

A molecular complex derived from olive's fatty acids. This multi-functional ingredient enhances the skin's barrier function, and moisturising properties that maintain long-term hydration.

NATURAL VITAMIN E

A powerful antioxidant that helps fight free radicals and reverse the signs of aging. Its restorative and anti-inflammatory properties help keep skin in good condition and looking younger for longer

INGREDIENTS: Aqua/Water/Eau,Cyclopentasiloxane,Hordeum Vulgare (Barley) Powder,Tapioca Starch Polymethylsilsesquioxane,Hamamelis Virginiana (Witch Hazel) Distillate,Cetearyl Alcohol,Oryza sativa Starch,Ethylhexyl Oliviate,Hydrogenated Olive Oil Unsaponifiables,Hydrogenated Ethylhexyl Oliviate,Avena Sativa Kernel Flour,Panthenol,Sorbitol,Tocopheryl Acetate,Lysolecithin,Sclerotium Gum,Ceteareth-20,Pullulan,Xanthan Gum,Acrylates/C10-30 Alkyl Acrylate Crosspolymer,Benzyl Alcohol,Tromethamine,Dehydroacetic Acid,Disodium EDTA,Parfum (Fragrance).
