

# VOLUMING MOUSSE

100ml | Code 2232 | RRP \$32

EXTREME VOLUME | NATURAL FEEL | FRIZZ CONTROL

## BENEFITS

- Delivers exceptional volume to flat and limp hair
- Reinforces, lubricates and protects the surface of the hair
- Controls frizz
- Produces extreme volume

The third in our range of volumizing hair products, our volumizing mousse thickens hair, producing extreme volume and controlling frizz to let your hair move freely. Fountain Volumising Mousse also protects your hair from heated styling tools, resulting in volumised hair that feels natural to the touch, with no sticky residue. Our volumizing mousse is suitable for all hair types, especially fine to medium hair.

**DIRECTIONS:** Apply a generous amount of the volumizing mousse to damp hair. Leave to dry naturally for a tousled look or style using a hairdryer. It can also be applied to dry hair for an extra volume boost. For best results use in combination with Fountain Volume Shampoo and Fountain Volume Conditioner.

## KEY INGREDIENTS

### VOLUMINIS

a hair volumising active that delivers exceptional volume to flat and limp hair for up to 24 hours, resulting in touchable soft hair that looks and feels fuller and more voluminous.

**KERAVIS:** designed to deliver optimal anti-breakage benefits, Keravis is a multifaceted protein-based complex which strengthens hair. The unique chemical composition enables it to penetrate the hair cuticle, building strength from within, while providing film-forming effects to reinforce, lubricate and protect the surface of the hair

### KERAMIMIC 2.0

Combines the best of science and nature for intelligent repair of damaged hair. Developed using advances in proteomics, Keramimic 2.0 contains the amino acid sequences of peptides that match keratin proteins found in cuticular and cortical regions of human hair. The highly functioning conditioning active provides targeted repair to the most damaged surfaces of the hair.

**INGREDIENTS:** Aqua/Water/Eau, Cocamidopropyl Betaine, PVP, Polyquaternium 11, Laurdimonium Hydroxypropyl Hydrolysed Keratin, Ethyltrimonium Chloride Methacrylate/Hydrolysed Wheat Protein Copolymer, Hydrolysed Vegetable Protein PG-Propyl Silanetriol, Sodium Citrate, Polysorbate 20, Ethylhexylglycerin, Citric Acid, Disodium EDTA, Phenoxyethanol, Parfum (Fragrance).
